AUCTUS

Interested in a PRIVATE EQUITY INTERNSHIP at AUCTUS?

WHY AUCTUS?

With more than 380 transactions since 2001, AUCTUS is the market leader among Germany's Private Equity companies. The spirit of "We create market leaders" accompanies our team of 35 AUCTUS employees in Munich, Germany and Milan, Italy in their daily business, while realising buy-and-build strategies in our platform companies.

- Be part of the Private Equity market leader
- Learn all about being a successful investment professional and entrepreneur
- Extend your knowledge about transactions and benefit from our high deal flow

WHAT DO WE OFFER?

- Gain significant deal experience
- Profit from a steep learning curve as well as a high level of responsibility and take ownership
- Receive guidance from an experienced investment professional as your mentor
- Join our social activities, team events and monthly get-togethers
- Get the opportunity to receive a full-time offer as Analyst after a highly successful internship with us

WHAT DO WE NEED FROM YOU?

- Consistent outstanding academic performance
- Bachelor's degree at least in the 5th semester or already Master's with a commercial, technical or scientific background at a renowned university or business school
- First internships in the areas of private equity, management consulting, audit or investment banking
- Very good knowledge of financial statements (e.g., balance sheets, P&L), cash flow analysis, business valuation and financial modelling
- Excellent analytical skills
- Entrepreneurial mindset, can-do attitude and affinity for medium-sized businesses
- For an internship in Munich native German language skills, for an internship in Milan native Italian language skills are required - as well as fluent English language skills in both cases
